TOP POWEROLL ELECTRIC CIGARETTE MACHINE

New Top-O-Matic Line Model! Save Money Over The Rising Cost of Pre-Made Cigarettes!

Specially designed for making perfect Short/Regular (80mm) Kings Size Filtered Cigarettes.

Electric, real "spoon" driven injection (like the popular mechanic machines from Top-O-Matic, but now driven by electric motor). Perfectly injected cigarettes with one touch of a button. Makes evenly packed and consistently burning cigarettes (unlike the cheap spring driven injectors, which twist tobacco and make unsafe burning cigarettes).

Contents:

Cigarette Machine, Carrying Case, 100-240v Power Adaptor (US Plug), Tobacco Tray, Tamper, Dust Brush, Nozzle Brush, Cleaning Rod.

Extras Included: \$10 Mail-In Offer, List of Replacement Parts, Owner's Manual and Warranty Slip.

List Cost: \$64.68

SRP: \$74.49
